

Santa Marta Initiative Lithuania: recent developments and challenges

Goda Aleksaitė

Ministry of the Interior of Republic of Lithuania

The current situation

- Communication Instruments: video and posters
- The role of municipalities strengthened and more local actors involved
- The preconditions for Coordination center on THB were laid
- More political and institutional support: the Office of the Government involved

The Challenges

- To establish active Coordination center
- To change the society's perception of modern slavery
- To get more political and institutional attention

The Society's Perception

• They and we

• We together

More political and institutional attention

- Ministerial level
- No structural framework

- Office of the Government
- Agreement between main stakeholders: ministries, prosecutors, NGO.

The Coordination center „Comforter“

- Defragmentation
- Fight with consequences
- Miscommunication

- Prevention
- Bridge
- Communication
- First aid

Thank You for Your attention!
